YOUR INVENTORY

AFISCO

INVENTORY MANAGEMENT *plus*

Equals Productivity

A Better, More Efficient Way

Our AFISCO Plus Inventory Management Program will help you manage your inventory and reduce the time you spend purchasing by having an AFISCO representative go to your business and replenish your stock. Through a continuous improvement strategy we will reduce stock-outs and the costs generated by receiving, stocking, carrying and procurement of inventory.

PLUS Program Includes:

- Pre-agreed Min/Max replenishment stock levels
- AFISCO representative will professionally stock your cabinets and shelves
- Free Delivery
- Barcoded labels with customer and AFISCO part numbers
- Consumption reports available
